

2013 RESOURCE GUIDE FOR GRASS FARMERS & OTHER GOOD FOLKS

WILL WINTER, DVM -CONSULTING SERVICES- Contact me at Grassfarmer Supply, Inc. for holistic herd health, start-up planning for grass-fed cattle, sheep or goats, pastured pork, free-range poultry, horses or exotics. I can evaluate all forms of farm testing, livestock nutrition and ration planning, and sales and marketing of meat, eggs and dairy. No one “does it all”... Therefore, I have direct access to professional colleagues who are amongst the finest consultants in all realms of soil, water, pasture and crops, seed, organics, fertility, fencing, bioremediation, human health, holistic veterinary care, livestock genetics, feed and housing, nutritional supplements, as well as direct sales & marketing of artisanal food. Contact me at holistic@visi.com or 612-756-1232 . Hourly rates, farm visits, or on retainer as needed.
